CAPACITY BUILDING

01

URBAN SDG KNOWLEDGE PLATFORM

Created by CityNet, in collaboration with Seoul Metropolitan Government and UNESCAP, the Urban SDG Platform allows cities to share their best practices.

02 WORKSHOPS

CityNet regularly operates training workshops to build the capacity of its members based on their needs.

03 TRAINING PARTNERS

CityNet is better able to address member needs and connect actors in partnership with training partners.

04 EXTERNAL FUNDING

A form of city-to-city cooperation (C2C), CityNet partners with external organizations such as the EU or KOICA for projects to build the capacity of its members.

05 THEMATIC AREAS

CityNet focuses its capacity building activities towards the thematic areas of interest of its members.
